# KRISHNANANDH N

UNITY XR DEVELOPER

krishnanandhn33@gmail.com | +91 8129275281 | Thiruvananthapuram

## PROFESSIONAL PROFILE

5+ years of experience in developing and delivering engaging and innovative Unity apps including 3+ years of experience in AR app development. Strong programming skills in C#. Expertise in Unity, ARCore, ARKit, ARDK, and AR Foundation. Proven ability to work as part of a team. Looking for a challenging role in a fast-paced environment where I can use my skills and experience to develop cutting-edge applications.

## EXPERIENCE

**Software Engineer, *Trenser Technology Solutions***

09/2021 - Present | Thiruvananthapuram

- Developed and delivered engaging and innovative Unity apps including AR mobile applications.
- Developed a feature-rich AR camera application for Android and iOS, enabling users to place custom CG objects (e.g., birthday wishes, balloons, sweets, light leaks) in the real world and capture photos.
- Played a key role in UI development and resolved complex logical challenges to enhance user experience and app functionality.
- Managed tasks efficiently to meet deadlines for alpha, beta, and major releases, ensuring timely delivery to the Play Store and App Store.
- Actively raised queries and provided recommendations regarding application development to improve processes and outcomes.
- Collaborated effectively with cross-functional teams, showcasing strong teamwork and communication skills throughout the development lifecycle.
- Experience working with medical applications for nearly a year, indicating adaptability to different domains and an understanding of the specific requirements and challenges.
